⚡**Russian Defence Ministry reports on the progress of the special military operation** (29 October 2024)

Part I

The Armed Forces of the Russian Federation continue the special military operation.

▪ **In Kharkov direction, units of the Sever Group of Forces inflicted losses on formations of the 57th Motorised Infantry Brigade of the AFU and 112th Territorial Defence Brigade** near Volchansk and Okhrimovka (Kharkov region).

The AFU losses amounted to up to 85 troops, **one armoured personnel carrier**, **two** motor vehicles, and **one** 122-mm **D-30** howitzer.

▪ **Units of the Zapad Group of Forces improved the tactical situation and inflicted losses on manpower and hardware** of the 14th, 30th, 43rd, 44th, 60th, 63rd mechanised brigades, and 115th Territorial Defence Brigade near Petropavlovka, Borovskaya Andreyevka, Senkovo, Lozovaya, Novoosinovo (Kharkov region), Chervonaya Dibrova (Lugansk People's Republic), and Terny (Donetsk People's Republic).

Four counter-attacks launched by assault detachments of the 28th Mechanised Brigade of the AFU and 1st National Guard Brigade **were repelled**.

The AFU losses amounted to more than 480 troops, **one** infantry fighting vehicle, **one** Kozak armoured fighting vehicle, **four** motor vehicles as well as **one M113** armoured personnel carrier, **one** 155-mm **M198** howitzer, and **one** 105-mm **M101** gun made by the USA. **Two AFU ammunition depots were destroyed**.

▪ **Units of the Yug Group of Forces took more advantageous lines and positions and liberated Katerinovka (Donetsk People's Republic)**.

Losses were inflicted on formations of the 24th, 33rd, 54th, 110th mechanised brigades, 79th Air Assault Brigade, and 46th Airmobile Brigade of the AFU near Zaliznyanskoye, Orekhovo-Vasilevka, Markovo, Stupochki, Stepanovka, Ilyinka, Chasov Yar, and Kurakhovo (Donetsk People's Republic).

The AFU losses amounted to more than 985 troops, **one** German-made **Leopard** tank, **one** infantry fighting vehicle, **one** armoured personnel carrier, **two** motor vehicles, and **one** U.S.-made **HIMARS** MLRS launcher.

Three Anklav-N electronic warfare stations and **three field ammunition depots were destroyed**.

Part 2

As a result of active operations, units of the Tsentr Group of Forces liberated Gornyak (Donetsk People's Republic).

Losses were inflicted on manpower and hardware of the 24th Mechanised Brigade, 59th Motorised Infantry Brigade, 68th Jaeger Brigade, 25th Airborne Brigade of the AFU, 35th Marine Brigade, 111th and 119th territorial defence brigades near Dimitrov, Tarasovka, Krasnoye, Selidovo, Novoalekseyevka, Voznesenka, Lysovka, and Leninskoye (Donetsk People's Republic).

Thirteen counter-attacks launched by assault detachments of the 23rd, 100th mechanised brigades, 68th, 152nd jaeger brigades, 25th Airborne Brigade of the AFU, and 35th Marine Brigade **were repelled**.

The AFU losses amounted to more than 500 troops, **one** Turkish-made **Kirpi** armoured fighting vehicle, **two** motor vehicles, **one** 152-mm **Msta-B** howitzer, **two** 152-mm **D-20** guns, and **three** 122-mm **D-30** howitzers.

Units of the Vostok Group of Forces improved the tactical situation along the front line and liberated Dobrovolye (Donetsk People's Republic).

Losses were inflicted on manpower and hardware of 72nd Mechanised Brigade, 58th Motorised Infantry Brigade of the AFU, and 123rd Territorial Defence Brigade near Uspenovka, Maksimovka, and Razdolnoye (Donetsk People's Republic). **One counter-attack** launched by an assault detachment of the 113th Territorial Defence Brigade **was repelled**.

The AFU losses amounted to up to 125 troops, **eight** motor vehicles, **one** 203-mm **Pion** self-propelled artillery system, **two** U.S.-made 155-mm **M777** howitzers, and **one** French-made 155-mm **CAESAR** self-propelled artillery system.

Units of the Dnepr Group of Forces inflicted losses on formations of the 117th Mechanised Brigade, 141st Infantry Brigade of the AFU, 124th and 126th territorial defence brigades near Novodanilovka (Zaporozhye region), Kamyshany, and Nikolskoye (Kherson region).

The AFU losses amounted to up to 65 troops, **eight** motor vehicles, and **one** 152-mm **D-20** gun. **One Anklav-N** electronic warfare station and **two** ammunition depots were destroyed.

Operational-Tactical Aviation, attack unmanned aerial vehicles, and Missile Troops and Artillery of the Russian Groups of Forces **delivered strikes at airfield infrastructure of the Ukrainian Air Force, the UAV Command Centre of the General Staff of the AFU, as well as engaged manpower clusters and military hardware in 139 areas.**

- Air defence units **shot down three** U.S.-made **HIMARS** MLRS projectiles and **98** fixed-wing unmanned aerial vehicles.

- In total, since the beginning of the special military operation, **647** aircraft, **283** helicopters, **34,783** unmanned aerial vehicles, **584** anti-aircraft missile systems, **18,902** tanks and other armoured fighting vehicles, **1,481** MLRS combat vehicles, **16,927** field artillery guns and mortars, and **27,720** units of support military vehicles have been neutralised.

🔞 Marines continue to obliterate the enemy

Servicemen of the Black Sea Fleet Marine Brigade of the Sever Group of Forces repelled an enemy attack and destroyed an AFU hardware convoy in the border area of Kursk region.

Servicemen of the Black Sea Fleet Marine Brigade of the Sever Group of Forces continue to successfully push the enemy out and eliminate the AFU armoured hardware and manpower.

The enemy sent a convoy of armoured fighting vehicles, including two tanks to attack positions of Russian troops.

Reconnaissance UAV operators located the armoured hardware convoy and transferred its coordinates to the command post. As a part of small groups supported by artillery and FPV drone operators, marines eliminated the enemy and launched a counter-attack on the AFU positions.

The enemy failed stand the onslaught of our servicemen and left his wounded and killed behind as well as weapons, ammunition, and armoured hardware supplies by NATO countries.

Due to active efforts of the Black Sea Fleet marines, the enemy daily suffers losses and withdraws.

Report by Press Centre Chief of Zapad Group of Forces

As a result of the successful actions, the Zapad Group of Forces units improved the situation along the front line and **seized 59 strongholds of the enemy.**

With the support of artillery, heavy flamethrowers and aviation, the Group hit AFU manpower and materiel close to Stelmakhovka, Berestovoye, and Novoyegorovka.

Russian troops also **repelled three counter-attacks** launched by assault detachments of the 14th, 28th separate mechanised brigades, and 1st National Guard Brigade. **The enemy sustained losses of 40 militants** and a BMP-2 infantry fighting vehicle.

During the counter-battle warfare, Russian artillery neutralised **three 122-mm D-30 howitzers**, one 2S1 **Gvozdika** self-propelled artillery system, one 105-mm **L119** gun, and nine mortar crews.

Air defence systems of the Group **neutralised 17 fixed-wing unmanned aerial vehicles.**

During the day, the enemy lost up to **570 militants** and **22** units of armament and materiel, including **BMP-2**, **BTR-4 Bucephalus**, a self-propelled artillery system, **four** artillery guns. and **six** motor vehicles.

Two Starlink satellite stations and **12 UAV control posts** were **destroyed**.

🚁 Air support

Mi-35m, Mi-28nm, Ka-52m attack helicopters support ground troops in the border area of Kursk region.

The aircraft are launching missile strikes at the position data provided by a forward air controller to neutralise AFU armoured vehicles and military personnel in a wooded area.

Report by Press Centre Chief of Dnepr Group of Forces

Units of the Dnepr Group of Forces continued to perform tasks in the special military operation zone.

Units of the Dnepr Group of Forces inflicted losses on the 35th Marine Brigade, 124th, 126th, and 128th territorial defence brigades near Veletenskoye, Nikolskoye, Antonovka, and Belenkoye.

The AFU losses amounted to up to 60 troops, **six** motor vehicles, and **one** 152-mm **D-20** gun. **Two** electronic warfare stations **were destroyed**.

⚡ Russian Defence Minister congratulates servicemen of 57th Motorised Infantry Regiment on liberation of Katerinovka in Donetsk People's Republic

Defence Minister of the Russian Federation Andrei Belousov congratulated the command and personnel of the 57th Motorised Rifle Regiment on liberation of Katerinovka (Donetsk People's Republic) from neo-Nazis.

'Your brave and decisive actions allow to successfully push the enemy back and make a large contribution to advance of the Yug Group of Forces,' said the Russian Defence Minister in the telegram.

'In the course of the special military operation, the personnel of the regiment shows true resilience and valour, successfully engages in combat operations, and multiples the history of combat glory. Today, you continue to efficiently advance in Kurakhovo direction and liberate our land from armed Ukrainian formations,' the Russian Defence Minister noted in the telegram.

'For bravery and heroism demonstrated during combat tasks more than 600 servicemen of the regiment were presented with state awards. We will always remember heroic deeds of servicemen, who shed their blood for our Motherland,' Andrei Belousov noted.

The Defence Minister of the Russian Federation thanked the servicemen for their loyalty to the Fatherland and military oath and expressed confidence that they will continue to serve Russia with honour and reliably ensure its security.

⚡ **Russian Defence Minister congratulates servicemen of 114th Separate Motorised Rifle Brigade on liberation of Gornyak in Donetsk People's Republic**

Defence Minister of the Russian Federation Andrei Belousov **congratulated the command and personnel of the 114th Separate Motorised Rifle Brigade on liberation of Gornyak (Donetsk People's Republic) from the enemy.**

'Without fear, each serviceman of the brigade selflessly goes into battle, and the enemy continues to suffer great losses. Servicemen of the formation demonstrate bravery and valour during battles in Ugledar and Krasnoarmeysk direction,' said the Russian Defence Minister in the telegram.

'**For courage and heroism demonstrated during combat tasks more than 2,000 servicemen received state awards and departmental insignias. We will always remember heroic deeds of the defenders of the Motherland, who gave their lives for its integrity and safety**,' the Russian Defence Minister noted.

Andrei Belousov thanked the servicemen of the formation for successful performance of combat tasks and loyalty to the military oath and expressed confidence that they will continue to serve Russia with honour and ensure its security.

⚡ **Russian Defence Minister congratulates servicemen of formations, who demonstrated courage and heroism during liberation of Dobrovolye in Donetsk People's Republic**

Defence Minister of the Russian Federation Andrei Belousov congratulated the command and personnel of **the 36th Separate Guards Motorised Rifle Lozovskaya Red Banner Brigade.**

The servicemen of the formation honourably perform the tasks assigned to them in the fight against the neo-Nazis and confidently push the enemy back.

'The guardsmen fulfil their military duty as a part of the Vostok Group of Forces, showing exemplary heroism and valour, more than 1,300 servicemen of the formation were presented with state awards,' said the Russian Defence Minister in the telegram.

The head of the military department congratulated the command and personnel of **the 57th Separate Guards Motorised Rifle Krasnograd Red Banner Order of Suvorov 2nd Class Brigade.**

Since day one of the special military operation, the servicemen of the brigade have been exemplary fulfilling their military duty on protecting our people and our land and completing tasks in the most responsible directions.

'During battles in Artyomovsk direction to liberate Bakhmut and Kurdyumovka, the servicemen wrote new pages of glorious deeds into the history of the formation. For bravery, courage, and valour more than 4,000 servicemen were presented with state awards and departmental insignias,' said the Russian Defence Minister.

Andrei Belousov also congratulated the command and personnel of **the 14th Separate Special Operations Order of Kutuzov Brigade**.

In the course of the special military operation, the brigade successfully completes combat tasks in the most difficult directions. The servicemen of the brigade liberate settlements of the Donetsk People's Republic from neo-Nazis, while demonstrating bravery and selflessness.

'For heroism, courage, and valour, more than 2,000 servicemen were presented with state awards and four of them were awarded the high title of the Hero of the Russian Federation,' said the Russian Defence Minister.

Defence Minister of the Russian Federation thanked the servicemen for loyalty to the military duty and oath, as well as expressed confidence that they will continue to complete all the assigned tasks, safely guard the national interests, and ensure security of Russia.

⚡ **As a result of successful operations, formations and military units of the Tsentr Group of Forces liberated Selidovo (Donetsk People's Republic).**

⚡**Russian Defence Ministry reports on repelling AFU attempt to invade Russian territory in Kursk region** (29 October 2024)

The Armed Forces of the Russian Federation continue the operation to neutralise an enemy group, which broke into the territory of Kursk region.

▪ **Units of the Sever Group of Forces continued offensive actions and inflicted losses on formations** of the 22nd, 41st, 115th mechanised brigades, 17th Tank Brigade, 82nd, 95th air assault brigades, 36th Marine Brigade, 103rd, 112th, and 129th territorial defence brigades of the AFU near Daryino, Nizhny Klin, Nikolayevo-Daryino, Novoivanovka, and Plyokhovo.

✈️ Su-25 ground-attack aircraft neutralise concealed AFU armoured hardware and manpower in border area of Kursk region

Vladimir Putin launched a training exercise of Russia's Strategic Deterrence Forces

I would like to emphasise that Russia reaffirms its principled stance that the use of nuclear weapons constitutes an extreme, exceptional measure for ensuring state security. That said, we fully recognise that the nuclear triad remains a solid pillar of our country's sovereignty and security. It enables us to achieve strategic deterrence objectives and uphold nuclear parity and the balance of power globally, which are key factors underpinning global stability.

⚡ Russian Defence Minister congratulates servicemen of formations, who demonstrated courage and heroism during liberation of Selidovo in Donetsk People's Republic

Defence Minister of the Russian Federation Andrei Belousov congratulated the command and manpower of **the 30th Separate Guards Motorised Rifle Brigade**.

Showing exemplary resilience and dedication, the servicemen of the formation confidently advance, bravely complete combat tasks in Krasnoarmeysk direction, pushing the enemy out of our land.

'For valour and bravery demonstrated during liberation of more than 30 settlements, including Avdeyevka, Ocheretino, and Novogrodovka, more than 13,900 servicemen were presented with state awards of the Russian Federation and departmental insignias. We will always remember the servicemen of the brigade, who gave their lives for our Motherland and wrote their names in the history of battle victories,' said the Russian Defence Minister in the telegram.

The head of the military department congratulated the command and manpower of **the 15th Separate Guards Motorised Aleksandriya Order of Suvorov Brigade**.

'Today, you continue to confidently advance in Krasnoarmeysk direction and leave no chances to the enemy. In the course of the special military operation, for examplary completion of combat tasks, bravery, and valour, more than 8,700 servicemen of the brigade were presented with state awards and five of them received the title of the Hero of the Russian Federation,' the Russian Defence Minister noted.

Andrei Belousov also congratulated the command and personnel of **the 433rd Motorised Rifle Don Cossacks Red Banner Regiment**.

The servicemen of the regiment showed bravery and selflessness, when they liberated Novoaleksandrovka, Zhelannoye, and Novogrodovka (Donetsk People's Republic) from the followers of fascism.

'Today, you confidently advance as a part of the Tsentr Group of Forces, eliminate the enemy, and gradually bring the day of complete liberation of Donbass from neo-Nazis. For valour and bravery demonstrated during combat tasks more than 1,000 servicemen were presented with state awards,' said the Russian Defence Minister.

Defence Minister of the Russian Federation thanked the servicemen for loyalty to the military duty and oath as well as expressed confidence that they will continue to complete all the assigned tasks, safely guard the national interests, and ensure security of Russia.

‘Selidovo is ours!’

📹 *Footage from liberated Selidovo in Donetsk People’s Republic.*

As a result, formations and military units of the Tsentr Group of Forces liberated Selidovo (Donetsk People’s Republic).

The footage shows **Russian servicemen moving freely over the liberated city**.

The servicemen set up the Russian flag and copies of the Victory Banner on multi-storey administrative buildings and at the entrance to the city.

Supreme Commander-in-Chief of the Armed Forces of the Russian Federation Vladimir Putin supervised training of ground, naval, and aviation components of the Strategic Deterrence Forces.

During the drills, practical launches of ballistic and cruise missiles took place.

A Yars intercontinental ballistic missile was launched from the Plesetsk State Test Cosmodrome at the Kura training ground in Kamchatka. The nuclear-powered strategic submarine missile cruiser Novomoskovsk and the nuclear-powered submarine cruiser Knyaz Oleg **launched Sineva and Bulava ballistic missiles** from the Barents Sea waters. Tu-95MS long-range aircraft **launched air-based cruise missiles** during the training.

The National Centre for State Defence Control of the Russian Federation supervised the practical launches.

The drills checked the readiness of command and control bodies, skills of commanding and operative personnel in organising control of subordinate troops (forces).

The tasks set for the training of the Strategic Deterrence Forces were completed in full, **all the missiles hit the designated targets, thus confirming the specified characteristics.**

💥 Tank crews support airborne assault detachments

T-72B3 tank crews of paratroopers from Novorossiysk eliminated a dugout with AFU infantry in Orekhovo direction (Zaporozhye region).

The tank crews moved to a defiladed firing position and inflicted fire damage on the enemy. Objective control means confirmed that an AFU fortified dugout, where up to a section of the enemy's infantry took shelter, was neutralised at a distance of about five kilometres.

💬 The tank commander with the call sign 'Khuligan' shared the details of the combat work.

https://archive.org/details/airbone-assault-detachment-support-october-29th-2024

🔥 High-power artillery brigade in action

An Uragan MLRS crew of the Yug Group of Forces wiped out one AFU stronghold in Chasov Yar direction.

Unmanned aerial vehicle teams adjust fire.

During a combat task, Uragan MLRS crews deploy 220-mm ammunition to neutralise the enemy's light-armoured hardware, manpower, and strongholds both in the front and rear of the enemy's defensive order.

https://archive.org/details/yug-group-uragan-mlrs-october-29th-2024

💥 Artillery delivers precise strikes

A 152-mm 2S3 Akatsiya self-propelled artillery system crew of the Tsentr Group of Forces wiped out the enemy's stronghold with a concealed AFU artillery gun in Krasnoarmeysk direction.

The artillerymen wiped out the enemy's fortified stronghold by several strikes. As a result, the AFU manpower and materiel were destroyed along with one field ammunition depot, which detonated after a precise strike.

Reconnaissance UAVs adjusted artillery fire and recorded engagement of the target.

🇷🇺🇵🇰 **The 5th Russia-Pakistan Joint Military Consultative Committee meeting was held in Islamabad.** The event was co-chaired by Deputy Defence Minister Colonel General Aleksandr Fomin and Pakistani Defence Secretary Lieutenant General Ali Muhammad.

The sides positively estimated the dynamically developing mutually beneficial military relations and reiterated their commitment to effectively utilise the gained potential to strengthen bilateral military partnership.

The sides constructively discussed a wide range of issues of the military political situation in the region.

In addition, during the event, a bilateral meeting took place between Deputy Defence Minister of the Russian Federation Colonel General Aleksandr Fomin with Pakistani Chief of Army Staff General Asim Munir, during which a number of topics of mutual interest were discussed.

https://archive.org/details/russia-pakistan-oct-29-24-3

🔥 **Grad MLRS crews inflict powerful strike**

Artillerymen of the Northern Fleet' Marines inflicted fire damage on enemy strongholds in the island area and on the right bank of the Dnepr river in Kherson region.

The Dnepr Group of Forces' BM-21 Grad MLRS crews of the Northern Fleet's Marines carry out firing missions day and night to eliminate armoured vehicles, fire power, ammunition depots, and fortified positions of the AFU on the right bank of the Dnepr River, and AFU sabotage and reconnaissance groups in the island zone of the Dnepr delta.
